# The Hollybush

The Hollybush is a family run business, which we would describe as a 'Pub with good food, wine and beer'.

Our produce comes from local suppliers and farms whenever possible. We have an all-day menu which changes regularly and a daily specials board.

As a town pub we are lucky enough to have a large garden, which is set up in three parts, a decked marquee area, patio and a barn! Which can all be used for private parties of various sizes.

We also have a very popular Open Mic night on a Sunday evening, which is well supported by the local Witney musicians.

Put all these aspects together and it makes for a very interesting venue, which we are proud to be part of and hope you enjoy visiting.
